

## Employment Opportunity: **FAMILY WELLNESS COORDINATOR**

Full-time | Salary: Commensurate with experience | Comprehensive Benefit Package | BC Pension Plan

### ABOUT THE POSITION

The Family Wellness Coordinator (FWC) is an integral member of a dynamic team and will provide holistic support to families through coaching and wellness planning. The FWC works collectively with participants to set goals in all domains of their lives and relationships, identify a support network to help meet goals, set realistic timeframes, and implement healthy strategies to achieve their goals. The Coordinator plans, develops, and facilitates workshops for families and community to support the growth of skills identified in needs-assessments. This position supports SCFSS in offering culturally-appropriate services to enhance children's and families' relationships and wellness in the Nlaka'pamux and Syilx communities.

### ABOUT YOU

You are a motivated individual with great interpersonal skills and the ability to connect with individuals and families. You have experience in the social service sector, and use your knowledge, skills, and abilities to support participants in achieving their wellness goals. You are a chameleon with the ability to adapt to different situations and think on your feet.

- ◆ You have post-secondary education in Social Work, Human Services, Psychology, or a relevant field (we will consider a combination of knowledge and experience)
- ◆ You have worked with Indigenous families or communities for at least one year
- ◆ You have professional experience in wellness-related services
- ◆ You have working knowledge of (or a willingness to learn) Nlaka'pamux and Syilx language and culture
- ◆ You recognize the need to prioritize Indigenous frameworks over Western methodologies
- ◆ You have intermediate skills in Microsoft Office and other IT platforms, or are willing to learn and develop your skills
- ◆ You have strong interpersonal communication skills, excellent writing abilities, and excellent facilitation
- ◆ You are sensitive to the historical and systemic impacts on Indigenous families and communities from intergenerational trauma due to colonialism, residential school history, the sixties scoop, and association with the child welfare system

### ABOUT US
